Happy New Year from the Cañon City Music & Blossom Festival Committee!

Excitement is in the air as we celebrate placing in the Top 10 small towns for the Deluxe *Small Business Revolution*! Everyone is working hard to help Cañon City make it to the Top 5, and hopefully on to the winning town for Season 4. What an incredible opportunity! The Cañon City Music & Blossom festival is excited to join the **#MyCanonCity**, **#SmallBusinessRevolution** movement and we are passionate to help in any way we can to get our community to the Top 5 and hopefully on to **No. 1**! We are proud to present the 2019 Festival Theme:

A Blossoming Community!

Inside our community, the sun rises and sets on the accomplishments and achievements of each individual and each business in our town, making our community very special. The spirit of Blossom has been kept alive for more than 81 years because we love our community, we love to share the beauty of our community, and we love to share the pride we all have in this community.

The 81st annual parade will be on Saturday, May 4, 2019. The parade will start at 1pm. Parade entry fees are \$50.00 for each entrant. Parade participants are encouraged to incorporate blossoms in their entry, and/or, highlight how the organization is an active community member.
